

Chemical Company support Catalyst!

Catalyst Science Discovery Centre are thrilled to announce a new partnership with FMC Chemicals Ltd from Bromborough. The Wirral based company have joined the Corporate Partnership Scheme and have donated £6393.75 (\$10,000) to Catalyst which will be used to fund sponsored visits to Catalyst for schools from the Bromborough area.

Dr Phil Hardwick, FMC Plant Manager said "FMC is proud and excited to be able to support the valuable work being undertaken at the Catalyst Museum. Engaging our children and inspiring the next generation of scientists is key to the future of the chemical industry in the UK."

Catalyst Marketing Manager, Meryl Jameson said "We are delighted to be working with FMC to help engage and enthuse school pupils about science. It's a great way for them to support schools in their local community and support Catalyst, a local charitable trust at the same time."

You can find out more about Catalyst by visiting the website at www.catalyst.org.uk

ENDS

Catalyst is an independent charitable trust operated by a board of Trustees and supported by partnerships with local, national and international businesses.
